Dear Sue,

What a stunning performance! On behalf of The Reno Market's 40th Anniversary Celebration, we thank Kevin Sharp and his band for contributing to the successful anniversary of our Market. Our event was held at the Reno Hilton Theater, home to many celebrities. We are pleased to have contributed a check to the Make A Wish Foundation from the sale of proceeds for our event.

Selecting Kevin Sharp and his Band was the best thing we did! I would be delighted to recommend Kevin to anyone seeking entertainment for any event. Kevin is a wonderful person with sincere feelings and a true understanding and zest for life. The man is amazing and a fabulous musician!

Please feel free to pass on my direct number to anyone wanting a recommendation.

Most sincerely,
